Mahadine – Human rights defender – CHAD

Your excellency

I call on you to release Tadjadine Mahamat Babouri, known as Mahadine, unconditionally and without delay. A father of seven, he was arrested, beaten up and jailed for peacefully critiquing the government on Facebook.

He now faces a life sentence, and is gravely ill, having caught tuberculosis in prison. Pending his release, please transfer him to Am Sinene prison so he can get the medical care he so urgently needs.

Mahadine should not lose his freedom simply for raising his voice and bravely exercising his right to freedom of expression.

Yours sincerely

President of Chad

Mahadine – obranca ľudských práv – ČAD

Vaša excelencia,

Žiadam Vás, aby ste okamžite a bezpodmienečne prepustili Tadjadina Mahamata Babouriho, známeho ako Mahadine. Tento otec siedmych detí bol zatknutý, zbitý a uväznený pre nenásilnú kritiku vlády na Facebooku.

V súčasnosti mu hrozí doživotie. Mahadine je navyše vážne chorý, pretože vo väzení dostal tuberkulózu. Kým čaká na prepustenie, presunte ho prosím do väzenia Am Sinene, kde mu bude poskytnutá zdravotná starostlivosť, ktorú nevyhnutne potrebuje.

Mahadine by nemal stratiť slobodu len preto, že odvážne vyjadril svoj názor.

S úctou
